

Intercultural Coaching Denmark

S\ETYS

Enabling people and organizations

Both Denmark and Germany are as international leaders comparable on the entrepreneurial level as well as the economic level and are extremely successful. Their paths to success do however differ somewhat. When differences are not recognized in Danish-German relationships they can easily lead to misunderstandings or even blocking from both sides resulting in breakdowns in communication.

Being aware of different situations and a targeted approach to handling them with the different cultures provides a key to new potential and approaches to problem solving, supporting domestic as well as international competitive ability in your company.

Intercultural competence when working together with Denmark is your key to success.
